2016 YEAR IN REVIEW

HAPPY NEW YEAR! Your support of The 100 Club of Comal County made 2016 a memorable year! It is through your generous support that The 100 Club stands ready to "Support Those Who Protect Us."

The 100th Day of the Year, April 9th, was celebrated with banners displayed over several busy roadways in New Braunfels. Information about The 100 Club was made available in restaurants and businesses throughout the county.

The 100 Club Board of Directors, our community and the entire State

of Texas

lost one of our champions and special friend. Jan Kennady, a tireless advocate and worker for those who serve us, passed away July 31st.

A new life insurance policy in the amount of \$25,000 was adopted that covers all first responders and their agency support staff in case of an "event." First Responders' beneficiary will also receive a \$10,000 check within 24 hours.

McDonald's Annual Good Friday Fundraiser

held on March 25th was again a great success! Thanks to all 7 McDonald's Restaurants who participated and for Ronald McDonald's appearance and interaction with all who were in attendance.

On National Law Enforcement Day, May 15th, Freddy's Frozen Custard and Steakburgers once again donated a portion of their proceeds to The 100 Club.

On September 11th, Chris Pershall organized the 1st Annual Frontline Fiesta at Canyon Lake. He and a devoted group of volunteers planned a day of free food, music, drinks and activities for 1st Responders and their families.

National Night Out was held on October 4th with many neighborhoods celebrating throughout Comal County. Thanks to all the First Responders who attended and the opportunities for The 100 Club to distribute information about our Mission.

The 100 Club was proud to honor the following Exceptional Officers for 2015. The recipients were announced and honored at our Annual Dinner in February. In addition to the honor, each received a plaque of recognition and a gift basket from The Smoke House Barbecue.
