2017 YEAR IN REVIEW

HAPPY NEW YEAR to all 100 Club of Comal County supporters! It is because of you that your 100 Club can stand ready to "Support Those Who Protect Us." Thank you!

On April 9th, Mission Hill Apartment Homes hosted a great event at River Road Ice House. They called it "Sirens, Soul & Rock N Roll" and it truly rocked! There were wonderful bands, great food available, items for sale which supported First Responders and a jam packed Silent Auction. What a wonderful opportunity to meet new friends and spread the news about The 100 Club. On May 7th, another event was held at River Road Ice House for First Responders and their families as they were treated to an afternoon of music, food, and fun. A check presentation was made to The 100 Club with proceeds from the April 9th fundraiser. Thank you Mission Hill Apartment Homes!

A big thank you to McDonald's Restaurants and our Comal County community for their continued support of The 100 Club of Comal County on Good Friday. McDonald's graciously donated a portion of their proceeds on April 14th and helped "support those who protect us." We love Ronald McDonald!

On April 21st, the Bobby Bowl was held at Seguin High School football stadium. The event, honoring fallen San Antonio Police Officer Robert Deckard, is the Championship of the Texas Public Safety Football League. The 100 Club received a donation from the proceeds of this fun filled event!

On May 15th, the 4th Annual Peace Officers Memorial Day, Freddy's Frozen Custard & Steakburgers generously donated a portion of their proceeds to The Comal County 100 Club. Thanks to all who took part in this great event!

On July 3rd, Extreme Martial Arts hosted their first Break-A-Board Charity Event and The 100 Club was the recipient of the proceeds. Our thanks to them for supporting The 100 Club of Comal County!

On August 22nd, Chief Shawn Wherry retired from Canyon Lake Fire/EMS. The 100 Club thanks Chief Wherry for his 25 years of service and welcomes Chief Darren Brinkkoeter. We look forward to working with him as an Advisory Director for The Club.

The 100 Club had the opportunity to participate in the Bulverde Jubilee on September 17th. We were in the parade and set up a booth to share information with new friends about The Club's Mission Statement and its history. A good time was had by all!

National Night Out was held on October 4th with many neighborhoods in Comal County participating in the event. Thanks to all the First Responders who attended and the opportunity for The 100 Club to distribute information about our mission.

The 100 Club of Comal County Founders, President Judd Earley and his wife Sheila, were honored on December 14th with the 2017 UNSUNG HERO Award. This recognition is a longstanding tradition at the Herald Zeitung as the newspaper annually selects individuals from the city and county who are making a difference whether through their work, by volunteering in the community or both. Thank you Judd and Sheila for your dedication and service! A special thanks to Joyce Yannuzzi who nominated them for us.

The Life Insurance Policy which was adopted in 2016 which covered all first responders and their agency support staff in the case of an "event" was increased from \$25,000 to \$50,000. First Responders' beneficiaries will also receive a \$10,000 check within 24 hours.

We want to give a special thanks to Spring Branch Volunteer Fire Department for their continued support in 2017. We are very grateful for their \$2000 contribution in honor of those who have served on the Fire Department's Board.

In 2017, Comal County lost several of its finest. Corrections Officer Cynthia Young, Deputy Steve Morris and former Comal County Fire Marshal, Lin Manford, were called to Heaven. The 100 Club of Comal County had the opportunity to assist Corrections Officer Young and Deputy Morris' family with expenses.
