## 2009 The Year in Review

2009 has been a very busy year and a very fulfilling year for The 100 Club of Comal County. "THANK YOU" to each and every one of you for making this a successful year for The 100 Club of Comal County. As you know, your annual contributions support a fund that is utilized when a law enforcement officer, firefighter, emergency medical service provider or jailer is killed in the line of duty. When a tragedy takes the life of one of these individuals, funds are used to assist the surviving

spouse and dependent children. The 100 Club will quickly deliver a check to the family to provide them

burden.

The Club operates with an all volunteer staff and virtually no other administrative expenses.

Consequently, money is immediately available for its intended purpose. A big "THANK YOU" goes out to all of the volunteers who have given their time and effort toward making

ing this year a success. We are looking forward to 2010 and with your help The 100 Club will grow and continue to stand ready to support those who protect us.

### City of Selma Fundraiser

The City of Selma sponsors a fundraiser for The 100 Club each year on the 3rd Saturday in May. There is live music, a live auction, silent auction, child finger-printing, moon bounce, face painting and train rides. Both Selma police officers and firefighters along with the City of Selma employees work very hard to see that everyone has a good time. Many thanks to Tex Farnsworth, auctioneer, who donated his time for the live auction. Selma's Mayor, Jim Parma, presented The 100 Club with a check in the amount of \$23,400. Thanks to each & every one for their time and effort spent on the event. It is sincerely appreciated. Mark your calendars for next year's event - May 15, 2010.
